Hi, my name is Lars & Ace

Typical boxer goofballs

Medium Male Boxer Dog

NSW - Lars & Ace (M/4yrs) Location - Sydney Meet these handsome young men aka Lars & Ace!! A stunning pair of 4 year old male boxers that are needing a foster home together...we will not separate them... Lars & Ace are a bonded pair who have lived with their current owners since they were 8 weeks old. They are still boisterous and full of energy and for that reason they are better suited to a family with children over 10 years old. These beautiful boys would suit a home that does not have any other animals and who are able to give them plenty love & attention. Because Lars & Ace are not house trained, they will need a home that can give them the time, patience and training to get them used to being indoors... they are both eager to please and will soon get the hang of it....!! They are also used to spending time on their own – in summer one of their favourite things is to lounge around in their paddling pool! They are currently living in the suburbs & are not escape artists..although secure fences are still a must. These boys will need a boxer experienced ow...
