PETS NEEDING A NEW HOME

▲ Missy, ID 47707

Missy is a four-year-old red heeler with a quiet disposition. She enjoys going for walks, has lived with a cat and would be a devoted, loyal companion to whoever is lucky enough to adopt her.

▲ Sally, ID: 45168

Sally the greyhound is a very pretty young lady with a gorgeous shimmering coat. She is a relaxed, quiet dog who enjoys her daily walk, loves her food and is an absolute pleasure to spend time with. She enjoys doggy company, but would do well as an only dog too – so long as she has her own couch to recline on!

▲ Sam, ID 47696

Sam is all you could ever want in a dog: intelligent, lovable, friendly and fun – a perfect combination. Sam is a well-socialised border collie who is six years old and playful, but not hyperactive. He is always ready for a friendly pat and a cuddle, is housetrained, fine on the lead and eager to please. All he needs is a family of his own.

HOW TO SAVE THESE PETS

Here's your chance to provide a new home for unwanted pets with the help of Pedigree and PetRescue, a not-for-profit organisation that brings together more than 450 rescue groups. PetRescue is Australia's only national, searchable, online directory of rescued animals and has saved more than 34,000 animals since 2004. For more details on any of these dogs, go to www.petrescue.com.au and enter the dog's ID number.

▲ Raelee, ID 48048

Raelee is an affectionate, intelligent and gentle kelpie cross who loves dogs and children. She understands some basic commands and is a fast learner. Raelee is looking for a home where she has a canine companion or where she is not left alone for long periods of time.

▲ Rafferty, ID 47314

Rafferty is a healthy little 12-year-old Maltese cross who walks like he's a two-year-old when taken for a stroll. He enjoys cuddles, but is quite independent. He will need regular grooming. He is kind and gentle and likes other dogs, but dislikes cats enormously.

▲ Reggie, ID 47565

Little Reggie is a two-year-old year old terrier who has a very caring and nurturing side. He wags his tail and sniffs all the smaller dogs and he is great with puppies. He is an affectionate, quiet boy who is great on the lead when out on walks. He would love to live with another dog because of his sweet, friendly nature.

▶ Benjamin, ID 48021

Benjamin is a gorgeous young staffordshire cross who loves playing with other dogs, big and small. He has basic obedience training, but would love to learn more. He also enjoys walks.

▶ Roonie, ID 31201

Roonie is an intelligent kelpie-terrier cross who will suit an active home where she will have company. She is a sweet attentive dog at home, she likes to curl up on the couch and nap and will follow you from room to room and just hang out with you.

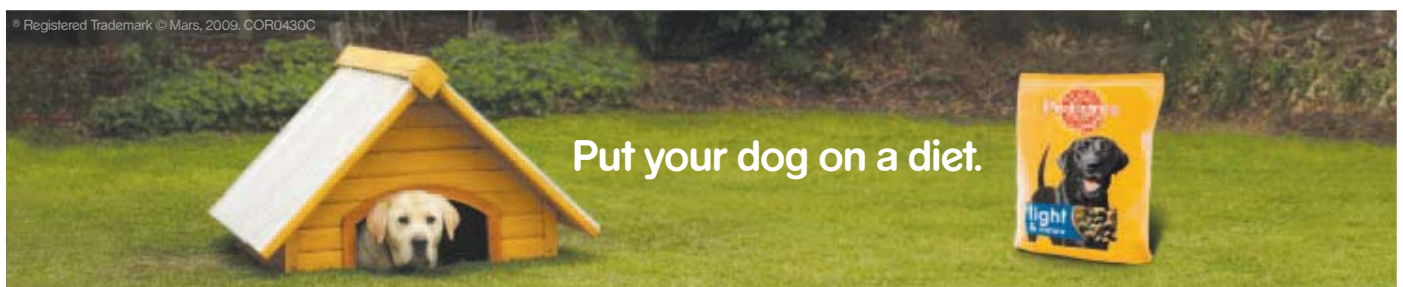

◀ Mambo, ID 47216

Mambo is a sweet and gentle two-year-old sharpei who loves people and is child-friendly. She enjoys a daily walk and car rides and is looking for a home where she will be loved and admired. She has been fostered with a dog trainer so has been learning obedience and manners.

To the Rescue

Homeless pets need to find loving families. You could provide one.

PetRescue is a not-for-profit organisation that finds permanent homes for unwanted pets. They are Australia's only national, searchable, on-line directory of rescued animals, and have saved over 34,000 animals since August 2004. Bringing together over 450 rescue groups, they collaborate on projects in the community that increase the profile of rescue pets.

PetRescue receives over 250,000 visitors to their website - www.petrescue.com.au - every month, and produce an educational and informative e-newsletter which is distributed to over 30,000 people. They feel privileged to be able to give these great pets a second chance by acting as 'matchmaker' between them and their new families.

KORRA
DASCHUND X

PetRescue ID 47269

Cute, friendly and educated, Korra would love to be a couch-warmer for you. She has a lovely temperament and gets along with other dogs. If you've been thinking of welcoming a new little companion into your life then Korra might be the sweetie for you.

LOU
MALTESE X

PetRescue ID 47737

Lou is a refined soul. She loves attention and adores being groomed and pampered. Lou has a "lucky lump" on her tummy which is not obvious and the vet says is completely harmless. But with a face as cute as hers, who would notice an insignificant lump anyway?

PENNY
SHEPHERD X

PetRescue ID 39603

Penny has the stunning good looks of a German Shepherd - but at a dainty 15kg and a good deal shorter than a Shepherd she would have shrunk in the wash! She's not nearly as big as her photo suggests. This wonderful, sweet young girl will fit into any family with ease.

JAY
SHEPHERD X

PetRescue ID 47249

Imagine calling your dog and he actually comes back - no more wild chasing down the dog beach when it's time to go home! Jay is terrific off the lead and loves kids and other dogs. He is a sweet boy who is quick on the uptake and deserves a loving home.

LILY
MIXED BREED

PetRescue ID 42409

Kissy, cuddly and lovable, Lily wins hearts wherever she goes. She loves her outings and other dogs and thrives on learning new things. She would fit right into a family with some get-up-and-go; people who love to walk, run and play.

SHMOOK
SHEPHERD X KELPIE

PetRescue ID 46014

Shmook and his equally gorgeous brother Nanook are adventurous, highly intelligent little pups who will be a joy to train. They are great with kids and have the energy to keep up with them! With plenty of love to give, these guys are ready to start their new lives.

WATSON
BEAGLE

PetRescue ID 47904

Watson is all Beagle - smart, energetic and always on the lookout for a bit of entertainment! You will love taking Watson to training classes and seeing this young man blossom as you channel his energy and intelligence.

MOVIE OF THE WEEK

MAN ON WIRE

WEDNESDAY, 9PM, MOVIE EXTRA DOCUMENTARY ★★★★★

The Stars: Philippe Petit

The Story: This superb documentary film revisits the "artistic crime of the century", as young Frenchman Philippe Petit danced out on a wire strung illegally between New York's Twin Towers on August 7, 1994. Suspense and excitement build with intensity worthy of a fictional blockbuster, as Petit bypasses World Trade Centre security, smuggles in his rigging and finally steps out 1350 feet above Manhattan - without a safety net. He was arrested and taken to jail for psychological evaluation before eventually being released to celebrate his insane achievement. British director James Marsh's film blends interviews with Petit and his co-conspirators, archival footage and awesome re-enactments to breathtaking effect.

The Verdict: No surprise why *Man on Wire* won this year's best documentary Oscar.

MOVIES

STREET KINGS

SUNDAY, 8PM, SHOWTIME

Penned by best-selling author James Ellroy, this dark and twisted thriller pairs Keanu Reeves and Forest Whitaker in an explosive drama with a high body count. Detective Tom Ludlow (Reeves) is a grieving widower determined to rid the streets of criminal scum. When he's implicated in the murder of a fellow officer, he finds he can no longer trust the brotherhood of the badge that has been his life.

MISS PETTIGREW LIVES FOR A DAY

SUNDAY, 8PM, MOVIE ONE

Sacked from her job, middle-aged governess Guinevere Pettigrew (Frances McDormand) finds herself in a new and

glamorous world when she becomes social secretary to a young American singer Delysia Lafosse (Amy Adams). Juggling her boss's beaus and charming an admirer of her own, Miss Pettigrew really does start to live rather than merely exist. Charming Adams lifts this 1930s costume drama about empowerment, love and friendship to enjoyable heights.

SMOTHER

SATURDAY, 8PM, SHOWCASE

After receiving his marching orders at work, Noah Cooper (Dax Shepard) gets home to find his overbearing mum (Diane Keaton) on the doorstep with her five dogs because she's left his father. What more could a newly unemployed guy whose wife (Liv Ullmann) has a twitchy biological clock need? How about a nerdy houseguest (Mike White) trying to write a screenplay that's a cross between *Platoon* and *The Fly*? Expect lots of crass gags, not all of which hit the mark, but also a few funny and even poignant moments.

To the Rescue

Homeless pets need to find loving families. PetRescue looks for them. You could provide one.

PetRescue is a not-for-profit organisation that finds permanent homes for unwanted pets. They are Australia's only national on-line directory of rescued animals, and have saved over 34,000 animals since August 2004. Bringing together over 450 rescue groups, they collaborate on projects that increase the profile of rescue pets. Their website - www.petrescue.com.au - receives over 250,000 visitors every month. They feel privileged to be able to give these great pets a second chance by acting as 'matchmaker' between them and their new families.

Pedigree® is partnering with PetRescue to raise the awareness of adoption and the rescuing of unwanted dogs through their Pedigree® Adoption Drive campaign at www.pedigreeadoptiondrive.com.au, where consumers can adopt a dog, donate to PetRescue.
