

Hi, my name is Lizzy Golden Oldie

Looking for love

Medium Female Purebred Staffordshire Bull Terrier Dog

Lizzy's age does not get in the way at all and loves running around the park with a big wide Staffy smile! She can get a little anxious at times and prefers meeting other pups off the lead to truly relax. She loves to trot through, say hi, and get on with the walk. To say she's a character is a big understatement and has people laughing regularly at her cute quirky ways. House trained with good manners, she adores people - especially kids and prefers to spend her day sleeping at your feet, on the couch, on your bed...in fact pretty much anywhere! \ Lizzy can get a bit of separation anxiety when left alone or hearing loud noises.

In the past this has really scared her causing her to run away, however she now finds comfort from the soulful tunes on Smooth FM radio when left alone and is far more relaxed. As we are a foster care based rescue, we are always in need of foster carers to come on board and help us save more lives. If you would like more info, please email us at sabbrwa@gmail.com. If you would like to make Lizzy a permanent family member, please call us today.
