

# Hi, my name is Nixon

## Looking for love

### Medium Male Australian Cattle Dog Mix Dog

Can you foster Nixon? He is currently in need of a new home as he has nowhere to go! Nixon is a sweet boy who is very loyal. He loves going for walks, playing in water or with toys, & just being with you. Nixon adores company, so he will suit an active retired person/couple or someone who works from home. He is a clever boy and already knows lots of commands, though he can become quite anxious particularly around new people, so will need a carer who can continue to work with him on his training. He does not suit a home with young kids & is best as an only pet as he was not well socialised in the past. If you can help Nixon, he will thank you with so much love. He does his best to please & just needs a 2nd chance...
