

# Hi, my name is Honey

## Looking for love

### Female Domestic Short Hair Mix Cat

Hi there! My name is Honey and I am a sweet lady that would love to make you my own. I do enjoy a cuddle or two and don't forget to scratch my neck and under my chin. HMMM that feels nice. See you just have to come out to see what a lovely girl I am and how much I enjoy my pets. I'm litter trained if you were wondering and I would preferably like to be an indoor cat. The world outside is a bit big and how would I want to be away from you. I wouldn't. I hope that you will be along shortly. I am desexed, microchipped, and have my vaccinations, flea and worm treatments up to date!
