

Hi, my name is Hunter

Looking for love

Large Male Cross breed Dog

I'm a happy-go-lucky, enthusiastic, and loving people-person! I love toys, and love food, and generally love life! Don't think I'm all without manners though! I know sit, drop, shake, and stay. I am good at coming when I'm called. I'm used to being an only dog, and an outside dog, so I am easily pleased and should slot into a new family with ease. Sometimes I have trouble keeping all that enthusiasm in, so my new home needs to be committed to helping me learn some doggy manners. I promise to work hard to make you love me as much as I already love you. I am good with cats. I am good with dogs and enjoy playing chasey games with other dogs in the dog park. I am good both inside and out. I am probably too boisterous to live with kids under 10 years, as I'm likely to knock them over with my happy, bouncing greetings. I am best suited to older children. I promise to love you every day forever if you take me home - and the rest of your family, and any visiting friends, too.
