

Hi, my name is Armani

Looking for love

Male Domestic Medium Hair Cat

Armani is a ladies man, he makes you swoon and your heart melt into butter! he charms anyone he meets, be it dog, kitty or human! Armani loves to smooch, cuddle, hunt and just generally destroy that piece of paperwork you just filed.... Armani would love a full house, be it with kids, adults, dogs, cats, (probably not mice) as long as there is someone to rub his belly and throw a ball around he will be content. Armani Currently has a love affair with his foster brother banksy who is an english staffy! constantly grooming each other, cuddling and \ playing. Armani is going to grow up big and strong! he is solid built and will easily be a big man! So if you want a sophisticated, playful cuddle bug, give us an email and meet this smooch machine!
