

Hi, my name is Felicity

Looking for love

Female Domestic Medium Hair Cat

The most adorable, happy and fun loving little kitten you'll ever come across. \ Felicity is a bouncing little girl whose fluffy coat will shimmer in the light as she bounces from one place to the next. Felicity is absolutely adorable and we wouldn't have her any other way! Felicity is very confident and bold in her own fur! She's fantastic around very young children and not afraid of new faces. Felicity is fine with other cats and would be fine with a non-threatening dog. Felicity will suit a family who is prepared to keep her indoors or build her an enclosed cat run to protect her and keep her safe. Felicity enjoys having her coat brushed. She is great with the scratching post and 100% litter trained. Felicity will suit almost any family type. Potential families will be screened for comfort of lap!
