

# Hi, my name is Suzi Q ....We Do Love You! Cat Friendly

Looking for love

## Medium Female German Shepherd x Red Heeler Mix Dog

Beautiful Suzi Q is a little like Goldilocks - she's searching for the forever home that is "just right". She can be a little wary of strangers, but fortunately the difference between "stranger" and "friend" can be as little as ten minutes in her company. She will make a loyal, affectionate and devoted companion for an experienced owner who will further her training and socialization. This should be more of a pleasure than a chore, as she is a quick learner and responds well to treats and positive reinforcement. Suzi is best suited to an adult household or family with teenage children. She gets on well with most other dogs and could make a great companion for another active dog in need of a new best friend. Her favourite pastimes include chasing her pretty white-tipped tail, playing tug-of-war with her foster brother, and cuddling up with the people she trusts. Suzi is house trained and has shown no interest in cats. Currently in care in Epping Vic.
