

Hi, my name is Viper, A Dog Of A Puppy

Looking for love

Large Male Doberman Dog

Viper is still very much a big puppy. He's only 12 months old and is still in the puppy phase. He's very sweet and loves a cuddle. He would be best suited to a home who is experienced in living with Dobermans. Once he is over his puppy phase, you'll love him even more. He's people friendly and has been fine with other dogs he has met.
