

Hi, my name is King

Looking for love

Large Male Greyhound Dog

Hey! It's Mr Suave and Sedate King here. I'm a newly retired canine athlete, and certainly still in my prime at 4 years old (not a grey hair in sight!). I spend my time these days with long walks along the esplanade, romantically dreaming of my new furever home... I do hope it comes soon. I'm learning to chill out, turn off, and relax. I'm definitely a calm, gentle, and handsome young mean. A jeans and t-shirt kinda guy. Don't get me wrong, I've had to be very adaptable in my early retirement. Leaping up the stairs in my carer's house is no problem! (We won't talk about getting down again.) I've also discovered that I love to have my beautiful soft ears massaged on someone's warm lap, lounging spread-eagled on this new thing... Oh year, a couch I think it was called. I love my visits to the dog park and I've met so many new friends since my early retirement. I am good with big and small dogs. I met a cat and I wasn't too interested, so maybe I could live with cats. I need further testing in this regard. I am great at eating! Which means that training me with food...
