

Hi, my name is Gemma (On Trial 21/9/14)

Looking for love

Small Female Miniature Fox Terrier Dog

Gemma is a female mini foxie who is approx. 12 months old. She has a lovely personality and is very easy to get on with. She is good with other dogs and enjoys playing with them very much. She also enjoys playing with her toys. Gemma shows no signs of aggression and would be good around children. She is a small dog and requires virtually no grooming due to her breed. Gemma is an inside dog and is most comfortable having others around her. She is energetic and would not be suited to being left outside alone. She likes being part of the family and enjoys sleeping on the bed. If you think you can provide Gemma with a loving and secure home for the rest of her life please contact Lucyann at blackorchid7@hotmail.com.au. Gemma is in foster care in Dora Creek, NSW (Lake Macquarie, south of Newcastle) and is available for adoption interstate. Gemma's adoption fee is only \$400 and includes her desexing, vaccinations, flea and worm treatments, microchipping, and lifetime registration.
