

Hi, my name is Peppa D1631

Looking for love

Medium Male Border Collie Dog

Peppa is a beautiful boy who loves his pats and tummy rubs. He is very clever and already knows a bunch of commands – sit, shake, hi 5, down, roll over and heel! Peppa currently lives with other dogs and cats. He can be nervous of new people and needs some work on his socialisation & food manners, so a confident and experienced, dog owner is a must. He enjoys his walks and is quickly learning how to walk nicely on lead. If you're an active person who can help Peppa thrive, please contact us by email to apply.
