

Hi, my name is Shakira

Looking for love

Medium Female Bull Terrier Dog

Shakira is a small sized standard bull terrier with papers. Notes from her foster carer: Tequila aka Shakira ...i am super cute with plenty of spunk. I love my ball so much that it has to be put away sometimes. I have plenty of energy when it comes to playing and walks, but when you want to relax i calm down quick. I am super gentle when i need to be and great with kids of all ages. I would be great with a family of all ages, i love the boy at my foster home the most i like to snuggle on the couch with him and sleep in his bed. I am super gentle if you feed me by hand, i never snatch and will wait patiently for the next bit of food. I am easy to walk never pull on my lead or try to run away when i see something interesting. I would best suit an only dog home because i want a lot of attention. My foster mum has got nothing bad to say about me cause i am such a good girl.
