

# Hi, my name is Erina The Eccentric Good With Kids Cats And Paws

Looking for love

## Large Female Kelpie x Mastiff x Ridgeback Mix Dog

Erina is a 15 wk young mastiff x ridgeback (mum) x kelpie (dad) pup who is ready to make her statement on the big wide world out there! She is such a well balanced pup, easy going, loves to chill at times and play around and carry on at other times. She is still coming out of her shell and with more TLC, she will shine big time. She is a quick learner, has learnt to sit for pats and for her food, and will quickly learn more as she is shown, so puppy school would be a great start for her.... Gets along with other paws, wants to play with our kitten and loves playing with her foster paws - big or small .... This girl is a no fuss paw, who is happy to live outdoors, as she would be indoors, given the chance. If you are interested in meeting Erina, please visit our website [www.startingoverdogrescue.org.au](http://www.startingoverdogrescue.org.au) and fill in an adoption interest form and her carer will be in touch. Erina is currently in care in Coburg.
