Looking for love

Large Male Great Dane Mix Dog

Johnson is a beautiful big boy that has been happily living in a family home with kids of various ages. We are now looking for a home with no small dogs or cats as he can become over excited and forget how big he is. Johnson is great on lead when in a group of dogs but needs an owner that can give him one on one training as it takes him a good 10mins to settle when walking alone. We want walks, runs, basic obedience classes and outdoors activities to be enjoyable so on going training will be something you will both be able to bond with and learn at the same time. Johnson really is a lovely boy and so well behaved to have here in our big family home we all dearly love him. When not out and about he sure loves a good cuddle with his people and we are happy to snuggle up with him. If...
