

Hi, my name is Dallas

Looking for love

Medium Male Blue Heeler x Bull Terrier x Staffordshire Bull Terrier Dog

Dallas and his five bothers have been reluctantly surrendered to Claws N Paws Rescue due to unexpected circumstances in their homes and are looking for forever homes. Dallas' father is a pure, smart Blue Heeler and his mum is crossed English Staffy and Bull Terrier. Both are very dog friendly just like Dallas. Dallas is approximately 4.5kg but will grow to be a medium size dog. Dallas has already shown us so much of his great personality in such a short time. Dallas is a very quick learner and is the perfect age to be trained absolutely anything. He already knows he has to have two breaks during meal time where he sits to let his food go down. He comes to his name when called, walks off lead and knows the word 'out' when all our furry babies have to go outside, he then will urinate on command. Dallas is extremely food motivated, just another perk to easy training this smart puppy. When he is not paying with stuffed teddies, Dallas likes to play with his big foster brother and sister. A Sharpei and American Staffy. He tries to play as hard as they do and sticks up for himself...
