## Looking for love

### Small Female Miniature Fox Terrier Dog

Hi! My name is Sootie, and I'm a 9yo mini foxy girl. Don't let my age fool you! I'm a bright and happy little girl. I love to run around my foster family's yard, and I'm equally happy to snuggle with them and snooze on the lounge. I'm perfectly behaved in the car, and I'm extremely easy to bathe as I just stand still and let my foster mummy wash me. I've spent all my life as an outside dog, and I wasn't toilet trained but we are working on that. I am now an inside dog and love being with people and sleeping inside where it is so cozy. I am nice and healthy and the vet has even cleaned all my teeth and I'm feeling great. So now I just need to find myself a wonderful family to love! ----- Sootie needs a home where she is the only dog, and there are no cats, or children under 8 years old. She doesn't like to spend all day home alone so a home with someone who is retired or only works part time is needed for her. Sootie has had a very hard life up until now but she is sweet and lovable and will be someone's beloved best friend. For more information or to meet Sootie ple...
