

# Hi, my name is Rusty

## Looking for love

### Small Male Fox Terrier x Kelpie Dog

Rusty is quite a timid boy and follows Gemma around a fair bit. His goal in life is to please you. He loves to chase his toys outside and adores his squeaky toys. Rusty is a cuddle bug and would happily spend his whole life in your lap. He also enjoys his bones and eats a little bit less than Gemma. He's a sweet natured, happy boy. Rusty along with his sister Gemma have recently lost their mum to cancer. They have grown up together from pups and will need to be rehomed together. Both Rusty and Gemma are great with cats and would happily co-exist in a home with them. They walk well on leash and love to go for walks or outings with the family. They are both beautiful natured dogs who understand 'No' and 'on your bed' commands and will stop barking with a simple clap of the hands. They have come from an extremely loving home and we would love to fulfill their mums wishes to find them another loving home where they can become part of a family again. Wally's like all of our rescues to be adopted into families that will continue their socialisation and allow their dogs inside...
