

Hi, my name is Pebbles (Are You My Bam Bam?)

Looking for love

Male Domestic Short Hair Cat

Hello! Glad you have found my Pet Rescue profile- I am looking for my forever home, will you be the one? My name is Pebbles and I am 3 months old. My foster mum says I am the complete kitten package- I am a happy, playful, well-mannered boy who loves his cuddles! In true kitten fashion, I love to play with any sort of toy and I love exploring all the open draws and cupboards that I can fit into. I'm perfectly happy to play on my own with my toys (or tail!) and I also play with my older foster sister so I'd be the perfect kitten companion to any other cats. I also love my naps and my favourite place to sleep is curled up beside you as I do love smooches and scratches behind the ears! To be honest, I will just like hanging out in the same room as you, doing my thing. That said, I am definitely not a wallflower- I get on well with other cats and kids and like to be available to greet new visitors to the house with a sniff and a pat. I haven't met any dogs yet but if they are friendly enough, I won't have a problem! Is your home the one for me? Pebbles is located in Northcote
