## Small Female Maltese x Poodle x Shih Tzu Dog

Frankie is a 3 and a half year old, female, Shih Tzu x Poodle. She is a quiet girl, not a barker. She enjoys going for walks. She's a very affectionate dog who needs a home with someone who is home most of the time or can take her with them. She would suit a mature person or couple. Frankie is an inside dog and needs to be allowed inside, at least when people are home, and to sleep inside. She will need a daily walk as she is a young dog. She gets upset by thunderstorms and needs to be inside when they occur. She plays nicely with other small, friendly dogs. Frankie has a low shedding coat which needs regular brushing (every few days depending on length), bathing (every few weeks) and clipping (every 4 to 8 weeks) to keep her comfortable and beautiful. Frankie is a darling little girl who will make someone very happy. For more information or to meet Frankie, please contact her foster carer Loraine on 02-4023-3085. Frankie is in foster care near Charlestown, NSW (Lake Macquarie, south of Newcastle) and is available for adoption interstate. Frankie's adoption fee is...
