

Hi, my name is Taz

Looking for love

Male Domestic Medium Hair Cat

Taz is an energetic dynamo of a kitten. He likes to play, run around, explore and then have a nice cuddle and purr up a storm. Taz purrs before you even pick him up! Show Taz a toy and he forgets all about the world around him! Taz is a little anxious of new people for the first five minutes of the encounter but once he knows you he is fine. Taz hasn't yet encountered dogs, but adult cats and other kittens are no problem. Taz is a sweet boy and good natured. We love him! He is a very dark brown with subtle tiger stripe type markings on his side and has a smudge of white on his face to give him his distinctive cute look!

Taz has been microchipped, wormed, flea'd and received his first vaccination. His adoption fee includes a desexing voucher to be used at one our partner veterinary practices.
