

Hi, my name is Koda

Looking for love

Male Domestic Short Hair Cat

Koda is a beautiful affectionate kitten. He loves company and really enjoys cuddling into your neck and chest. He snuggles in close to you and just wants to be with you all the time. He seeks out attention so would like to be in a home where he will get attention and lots of love. Koda is a super nice boy and has a great loud purr to match. Koda has been Hand-Reared by a DCH Foster Carer since 2 weeks of age. Koda is now ready to go to his new home. He is already microchipped, vaccinated and desexed. We would like to see him go into a family with Children as he is used to lots of attention. If you can offer Koda a loving home, then please contact us.
