

Hi, my name is Mario

Looking for love

Medium Male Labrador Mix Dog

Mario - is a perfect gentleman, no barking, digging, or any trouble at all, \ this gentle boy is the perfect family addition. Mario's is five turning six in September - the perfect amount of play and snuggles. Mario's foster family consists of two children under 6 and 2 large breed dogs and he is perfectly well mannered with all. He doesn't dig, chew or take the washing off the line and he is the perfect watch dog as his barks are only ever purposeful. He isn't suitable with chickens and pocket pets Mario loves to play fetch and mostly brings the ball back and when I'm in the yard he loves to walk at my heels. Mario has never shown any food aggression to people or other dogs however we always strongly recommend that dogs be fed separately. Mario sleeps in a warm garage on his bed but loves inside snuggles and we always recommend for inside time with his family to ensure he feels loved by his family. He is happy all day outside with the company of the other dogs in foster care. Mario likes all dogs large and small and is the perfect companion for a senior...
