

# Hi, my name is Taurah

## Looking for love

### Large Female German Shepherd Dog

Meet Miss Taurah a perfect companion who has beautiful manners and is fully house trained. Once again she is looking for a new home. In January 2015 Taurah was abandoned by her former owners who surrendered her to a local animal shelter with the excuse they were having visitors with children and they were concerned how she would be with them. So much for commitment to their dog after having her for nine years and just dumping her. Then she was adopted by a beautiful lady who truly loved her, however she is now too ill to look after her and so Taurah is now looking for another home. Well our Miss Taurah is the perfect dog, she is beautiful with children, gentle and loving and she has not put a paw out of place in her foster home. So we are looking for a home for Taurah where she is an integral part of her new home. Taurah is currently in care in Canberra and has had a sleep over with with a male German Shepherd and she is very respectful and has shown tolerance and initiated playtime. Although she has started to become the boss. Taurah is NOT a high maintenance
