

# Hi, my name is Chester **\*\*Cuddly\*\*** (Thornbury) Looking for love

## Male Domestic Short Hair Cat

Chester is an adorable, energetic, kind-natured cat who just loves company and cuddles. He's always happy to see you, and will come up to you to rub up against your legs and get lots of pats! If you watch his video (on the right of this page), you will notice his unusual "Fresian cow" markings, as well as seeing how much he likes to give "headbutt high-fives"! An easy-going boy, he would be well-suited to a household with children or other pets.

Chester has been vaccinated, microchipped and treated against fleas and worms. He is in excellent health.
