

# Hi, my name is Pip

## Looking for love

### Small Female Papillon Mix Dog

Gorgeous little Pip is a 1yo female Papillon cross. She is so affectionate and just adores people! She loves to be cuddled and often falls asleep while being held, loves belly rubs, and will give you a nudge if you stop patting her! Pip loves to play fetch with a ball. She is still quite puppy like and will need ongoing training, including ongoing toilet training. She is curious of our cats, and is very gentle with them. She gets along well with our 3 dogs, 2 of which are small and 1 is medium size. She needs to be allowed indoors and to sleep indoors through the night. Pip really is a people dog, and would love nothing better than to have a forever home where her humans are home most days. Please contact foster carer Kristy on [gandkrichards@bigpond.com](mailto:gandkrichards@bigpond.com) or phone 0411 335 449 if you think Pip could become part of your family. Pip's adoption fee is \$450 and she is desexed, vaccinated, and will be lifetime registered on the completion of her 2 week trial. Pip is located in Kurri Kurri
