

# Hi, my name is Sophie ~ Shih Tzu Looking for love

## Small Female Shih Tzu Mix Dog

Sophie is a beautiful natured shih Tzu, approx. 18 months old. She is a very happy playful girl who very much enjoys wrestling with her foster siblings and running around in the back yard. Sophie also loves her cuddles and tummy rubs. She is very affectionate and just loves to be with you. She sleeps on the bed and is an inside dog. She would not cope with being put outside and left there. Although she enjoys the company of her four legged friends she is very much a people's dog. Because of her breed she does require regular grooming to maintain her long coat. Brushing (every few days depending on length), bathing (every few weeks) and clipping (every 4 to 8 weeks). She does not show any signs of aggression and would be suited around children. Her ideal home would include someone home to spend time with her and another dog to play with. She truly is a special girl who is waiting for her special home:) If you think you could offer Sophie a loving, secure home and the spoilt lifestyle she has become accustomed to please contact Lucyann via email at [blackorchid7@hotmail...](mailto:blackorchid7@hotmail...)
