

# Hi, my name is Hope (Located In Coburg)

## Looking for love

### Female Domestic Short Hair Cat

Hope is a very adventurous, playful kitten. She's super cheeky and loves sneaking up on her brothers and playing with their tails! Hope gets along with everyone she meets - dogs, cats and of course people. She may be happy living with another pet but she can be quite independent so this is not necessary. Hope is house trained and will make a very pleasant, loving addition to her new family. Please complete our application if you are interested in adopting little Hope.
