

# Hi, my name is Martin

## Looking for love

### Medium Male Kelpie Mix Dog

Martin is a quiet and very gentle boy and might suit a family with children as he does not jump up a lot like many younger smaller breed pups. He loves to play with other dogs in foster care and is learning to walk on lead. He also likes to come for cuddles and loves to cuddle up next to his foster carer on the sofa if given the chance. Martin happily plays with dogs of all sizes but as yet has not met a cat He is a very calm and relaxed dog and only barks to sound the alarm and is doing very well with his toilet training. Martin is also learning to walk gently on lead. We guess he is some kind of Kelpie cross possibly greyhound??? because he is such a slim dog but we cannot make any guarantees and he does not have very big paws.

Very healthy
