

Hi, my name is Cheezel

Looking for love

Male Domestic Medium Hair Cat

READY TO GO- Cheezel is such a smooch! Always looking for attention and pats. He is going to make a perfect family cat with so much confidence, eager to be in human company and loves to play! He'll happily jump on your lap and curl up. He certainly loves his food too. Cheezel is great using his litter. He is currently fostered with other cats and dogs, both of which he is unfazed. Poor Cheezel has had an unfortunate start after being dumped at the pound... thankfully pound staff saw something special in him and called us and we soon had him in care- and now he is ready for a forever home! At only 4 months old he is just a 'big' (not really!) kitten with so much love to give. Is his perfect home with you?
