

Hi, my name is Hermione If067 15

Looking for love

Female Domestic Short Hair Cat

Hermione: IF067-15 We are seeking a new foster home for this lovely little one. At the moment she's in temporary care, but we need to find a new place for Hermione as soon as possible. Hermione is a small cat, and probably won't grow to be very big. She is a lot smaller than her two brothers Harry and Ron. She has the cutest little squeaky meow, and loves nothing more than to snuggle in her human's arms. If you have lots of time to give, Hermione will love your company and happily snuggle next to you - or on you! She doesn't mind the company of other cats once she has become used to them - at first she may be a bit hissy and growly with them. If you can foster her, or if you'd like to meet her with a view to adopting, please send us a message.
