

Hi, my name is Muffins (Dog Friendly)

Looking for love

Female Domestic Short Hair Cat

Meet Muffins, a female short haired domestic girl. With gorgeous Green Eyes and a glossy white and black coat. Muffins found herself left in the overnight cages at the local dog pound and was saved by Wally's Doggie Rescue. Muffins has completed her holding period, and sadly was not reclaimed by her previous owners. Muffins spent her holding time in foster care with a family, she was very scared and underweight and flea ridden. The past is now behind her! Muffins is microchipped, fully vaccinated, desexed, wormed and treated with Advocate for fleas. Muffins is living with a family who have 2 children aged 6 & 8, two adult cats (male and female), and 4 dogs. Muffins is happy to co exist with them all. In the 3 weeks in foster care, Muffins has come so far, she has gone from hiding behind furniture, to gracefully walking around the house. She is a small cat for her age, and has a tiny purr and meow to match. Muffins is a gentle compact cat, who still gets scared at loud noises and will go and hide until the noise has gone. Muffins needs to build trust with new people ...
