

Hi, my name is Midnight

Looking for love

Female Domestic Short Hair Cat

Midnight is a delight! She is a gentle little soul who hasn't stopped purring since she was picked up off the street. She loves to play and loves other cats. Trips to the vet or new situations can be a little daunting but with a few pats and cuddles she calms down. Stroke this girl and the immediate response is a purr! She is gorgeous. Midnight is currently being fostered in Connells Point with two other cats and two children.
