Medium Male Bull Terrier Dog

Boof is a gorgeous gentle purebred English Bull Terrier. Boof was rescued from the local pound by Wally's Doggie Rescue after he was left in the overnight cages and not reclaimed by his owner. Boof was taken into foster care, into a family environment with 2 children aged 6 & 8, 3 adult cats and 4 dogs. Boof is happy to co exist with them all, and particularly likes the female dogs that he comes into contact with. Boof is currently underweight, but gaining weight daily and will suit a household with a female dog companion and family environment. He is not an active dog, at all but does have the typical bully clown outburst and then goes to lay down on his bed. He does not jump up on the children and does not snatch the food out of humans hands. Boof is a real gentlemen amongst his doggie friends and humans. Boof can navigate stairs, but can not jump up into the car or anything taller than him, he is way to lazy for that. Boof is not a fan of slippery floors, and does have a phobia there. We have helped Boof overcome this by lining the walk way with a carpet rug. Boof enjoys...
