

Hi, my name is Opal **Gorgeous Senior Companion**

Looking for love

Female Domestic Medium Hair Mix Cat

Gorgeous Opal. What can we say. We just don't understand how not one person was looking for this wonderful companion. Opal has a sweet loving nature, adores to be talked to and pads up and down on the spot just happy to have a conversation with anyone that feels like stopping by. Opal is a neat and tidy girl, she uses her tray well and next to company she loves a snuggly bed best. Opal would prefer a home who will keep her inside as the wide world is a dangerous place for an older girl. Opal would like a companion family that will tend to her fluffy coat keeping it knot free and luxurious. A good diet of senior food and not too much junk food is a must as well Opal is on Actival Flea treatment and has been wormed with a Milbemax cat wormer. Opal must be registered to your shire before she can leave and a showbag of goodies will accompany her. Please contact the shelter to organise a viewing and discuss the adoption process Cheers XO
