Looking for love

Male Domestic Short Hair Cat

Gunner is a super smart boy with a bright future ahead of him. He is Mr Personality plus and knows how to milk it for his fans. He made a disgusting display of sucking up to the vet staff the other day rolling over and purring whilst blowing raspberries at the old dame Sox across the room (if she had a walking cane it would be a tapping) Gunner needs a family who is a busy as he is. He loves to be doted on and will return it in bucket loads He is very addicted to wanting to be outside so care will have to be taken as he likes to stand sentinel at the door Gunner is ready to make a family of companions very happy we know he won't disappoint Cheers XO
