

Hi, my name is Bubbles

Special Needs

Looking for love

Female British Shorthair Cat

Miss Bubbles is finally ready to start accepting resumes from potential forever staff! Bubbles is a 3 1/2 year old British Shorthair and is completely deaf. Bubbles is not for the novice cat owner! She is demanding and bossy but also hilarious and fun! Bubbles LOVES to play! She loves iPad games, laser pointers things on sticks, anything she can chase! Bubbles will take time to adjust to her new home and will need staff who understand that as a deaf cat, she needs routine and stability. Bubbles will happily sit on your lap and loves pats, but she's not really a 'pick me up' kind of girl. Her coat is VERY thick and needs a lot of brushing, which she can be a bit pedantic about, but with patience, she can be groomed at home and will enjoy it. Bubbles doesn't have a volume control, and while she isn't a constant talker, she does like a chat and you will listen! :P Bubbles will be best suited to a mature home as an only pet, though with time and proper introductions, she could live with a respectful cat or dog. Bubbles will need a strictly indoor only home, she must never be out...
