

# Hi, my name is Ciccina & Bruno

## Looking for love

### Small Female Pug Dog

One plus one = lots of love and puggy fun! Ciccina & Bruno are a pair... They are seeking a furever home who not only wants to share their love but also their hair... Active and lively they are... Where one is the other is never far... They both know how to sit, drop and wait for their tea... And boy do they do perfect puggy head tilts that say look at me... When their harness and leads come out... They jump around and give happy puggy shouts... As walkies are fun... As are drives and visits to the park for a run... Tossing soft toys in the air Ciccina loves to do... Bruno will join in to... Snuggling in bed together at night... They always cuddle up tight... They are crossing their paws together... For a furever home that can love them forever... Ciccina & Bruno are seeking a forever home together. They will not be separated. Please do not ask for them to be. Bruno & Ciccina are not suited to a home with an existing male dog. Bruno & Ciccina are desexed, vaccinated, microchipped and vet checked. Ciccina & Bruno are toilet trained, walk well on...
