

Hi, my name is Jerry

Looking for love

Medium Male Kelpie Mix Dog

EXPRESSIONS OF INTEREST ONLY AT THIS STAGE Man's best friend! Jerry is an affectionate Kelpie that loves to be by your side. His favourite pastime is to snuggle up on the couch with his foster carers. Jerry gets along with other friendly dogs and loves to wrestle, chase and tug with the resident dogs in his foster home. He is a quick dog who enjoys the opportunity to run. He has shown some interest in tennis balls and is learning to play fetch (it's a bit hard though because his foster siblings don't like to share the tennis ball!). Although Jerry appears to enjoy the company of other dogs, it is more important that he is placed in a home where he will receive a high amount of human interaction, as he thrives on this. Being a Kelpie; Jerry will need a home that will provide both mental and physical stimulation. Jerry can be a bit boisterous at times so it is best he isn't homed to a family with young children. Jerry is a smart dog that has been learning some basic commands such as sit and drop. He is house trained and will wait at the back door when he needs to...
