

Hi, my name is Barney

Looking for love

Medium Male Terrier Mix Dog

Barney is a sweet boy with mountains of energy. He loves to play with his terrier cross foster brother! When he first came into care, he was so excited that he couldn't sit still, peed everywhere and completely ignored all instruction, but what a transformation a bit of TLC and training has made! Barney now sits and waits for his meals, goes to his bed when told and is generally a lot calmer and loves to snooze in front of the fire of an evening. We are currently working on drop and stay. He now goes outside through the doggy door when he needs to pee. Barney gets on extremely well with other dogs and is good with children. He is however a bit hit and miss with cats, so would like a cat free home. Barney is a fast learner and is eager to please, so would excel in obedience training. Barney would like to sleep on his owners bed, but is also happy to snuggle up in his own. Barney is in care in Mooroolbark
