

Hi, my name is Sasha

Looking for love

Female Domestic Short Hair Mix Cat

Sasha is a beautiful champagne/dusty ginger colour and is 6 months old. Sasha is a very energetic kitten who moves quickly and will smother you with love. \ If you are anywhere near her she has to be all over you and giving you cuddles. She has the personality of 10 cats in one and will keep you very entertained ! She will need lots of company because she thrives on attention. If she can get around your neck she will wrap her legs around you and bury her head into your hair and purr like crazy. You won't be lonely with this girl around.

Sasha loves kids and is an indoor cat but in time may want to explore a safe garden and would love an outdoor enclosure for sunny days. Sasha is a very clean kitten and uses her litter. She is also a great eater. Sasha has had all her vetwork and is ready for her next adventure with her new family.

Sasha has had all her vetwork - desexed, microchipped, vaccinated, wormed, flea treated.
