

# Hi, my name is Nieve

## Looking for love

### Female Bengal x Domestic Short Hair Cat

Introducing Miss Nieve! Nieve is a character and a half. If you are looking for a person/feline to be your BFF forever- then you need to come and meet Nieve today! She holds herself superior to others; Some people will call her independent but if you know what Bengals are like- this is where you just say "yep, she's a Bengal alright" lol Nieve will want to get to know you before she shows you her affectionate and super loving self. Every day she will shed off a layer of her 'tough girl' persona before you know it she will be talking to you, following you, playing with you, loving you- claiming you as her own. Nieve should be an inside only cat because that is all she knows. She will flourish in a home where she is the only pet but in saying that- she does 'put up' with other cat friendly cats but she won't want to be close friends- so for Nieve, we recommend that she is the only fur princess.
