

Hi, my name is Alice

Looking for love

Female Domestic Long Hair Mix Cat

Alice is a beautiful girl with a gentle, loving and playful personality and big, green eyes that will be sure to capture your heart. Alice is a petite girl who is sure to give you bundles of attention and love. She will always greet you with quiet little chirps and loves to curl up on the end of the bed or on your lap to keep you warm. Sometimes she will even throw in a massage (kneading) when she wants to tell you how much she loves you. She is young at heart and loves to play - her favourite toy is a good old fashioned piece of string, ball or a pen! Alice really is just a loveable, beautiful kitten at heart. Alice has a long haired coat which she spends a fair amount of time maintaining and loves nothing more than a big scratch or brush, especially on her tummy! Alice is excellent with other cats or kittens. However hasn't been exposed to dogs in foster care so we aren't sure how she would cope with a dog. We suspect she would be shy with them, and would perhaps come around with a laid back dog that gave her time and space. We also recommend a home that is calm ...
