

Hi, my name is Cinnebun See Her Video!

Looking for love

Female Bunny Rabbit

Cinnebun is a spunky, affectionate, outgoing little girl. She is a toilet trained house rabbit who enjoys spending time nibbling the grass in the sunshine. She eats well and watches her waistline. Hay of various kinds, veggies, oxbow pellets and fresh grass keep her healthy. She also maintains her pearly whites with apple branches. Her ears are either up or flopped or one of each depending on her mood. It's very cute. I particularly like her helicopter ears!
