

# Hi, my name is Prince

## Looking for love

### Male Domestic Short Hair Cat

I was a street cat but now I am quite liking humans. I am looking for one to adopt me. I wear a fine fur coat with a unique design. I am inquisitive and playful and love the company of other cats. I love sneaking in to a human's bed at night and cuddling. I luuv been petted. I will even lay on my back and enjoy a tummy rub. Being a prince I have impeccable manners, I never draw my claws or bite. I am looking for someone to love me who has a quiet home with at least one another cat and a little patience as I settle in

Prince has been desexed, wormed, flea'd, microchipped and received all three F3 vaccinations so is not due until September 2016.
