

Hi, my name is Nelson

Looking for love

Male Domestic Long Hair Cat

Nelson's eyes tell a sad story. He has been severely neglected and his condition was just horrendous. But that does not stop him from loving everyone he meets. He adores a pat and smooch and is such a purrer!

Nelson has not been looked after for a very long time. His fur on his tummy was so matted it had to be shaved to the skin. Mats under his chin, on his tail and even legs- his haircut at the moment isn't fantastic, but boy does he feel better! Nelson is such a relaxed and confident cat. Super chilled and the kind of boy that'll be sprawled out along your couch thinking "where are you going to sit?". He has a gentle nature and constantly headbutt your hands for pats. He is adored by everyone that meets him! Nelson's coat will require a regular brush, which he LOVES (see video). Nelson is cat friendly. TO BE tested with dogs. We believe he wouldn't be fazed with children. Please fill in an application form : <http://form.jotform.co/form/33211617798863> Located CRANBOURNE Adoption fee: \$150
