

Hi, my name is Coco (On Trial 22/10/2015)

Looking for love

Medium Female Australian Cattle Dog x Staffy Mix Dog

Meet our sweet submissive Coco Coco was adopted from the ark at 10 weeks and returned due to lack of time, coco lived on a 2 acre property with unsuitable fencing Due to lack of socialisation coco can be timid and submissive She can be shy with meeting new people but very quickly warms up and is super friendly, she really just wants to be loved Coco is extremely well behaved she is toilet trained, walks fantastic on a lead, can sit and is very placid and gentle She is suited to a home with children 5 and up that are dog respectful, she is currently fostered with cats and had shown no interest in them Coco would benefit from a home with someone around a lot or that can take her to work She will happily sit all day at your feet or follow you around the house She is fantastic with other dogs, and would love to have a playful companion similar size for when her family isn't home Coco is a gorgeous girl with the sweetest temperament She is looking for a home with lots of love, a large yard, daily walks cuddles on the couch and a home that would be happy ...
