

# Hi, my name is Nirvana

## Looking for love

### Large Male Mixed Breed Dog

Nirvana is a big boof head! This boy is such a calm and placid boy who has slotted into our family easily. He has loved the attention of our children, patiently learning all about trains.

Nirvana is wonderful on lead, can sit, drop and is learning shake. He has impeccable manners at dinner time sitting and waiting for the ok to dig in. If he picks up something that isn't his, a quick 'no' and he will drop it and walk away. He is an inside/outside dog, enjoying lazing in the sun or curled up in his bed. Playing with other dogs is a real highlight of

Nirvana's day, he would love another dog of similar energy and playstyle to chill with throughout the day. Bitey face, zoomies and wrestling are his favourites with current BFF, Switch. Nirvana has spent time with dogs of all ages and sizes. Nirvana is an absolute darling and every person who has met him will tell you just how amazing he truly is, if you need some amazing in your life, get in touch!
