

# Hi, my name is Minnie

## Looking for love

### Female Domestic Short Hair Cat

Hello, my name is Minnie and I'm looking for my furever home. My favourite past times include pouncing and chasing my ball or toys on a string (see the video), I also think it's lots of fun to chase my tail and when I'm finished playing I love nothing more then cuddling with my foster parents. When my foster parents enter the room and call my name I always greet them for pats and kisses, with a cute little squeak and purrs. If you'll let me I'll also sleep on your bed every night. I love company and think I'd get lonely on my own all day so would prefer to go to a home where people are home a lot, or I have four legged friends to play with. I can be shy with strangers so I will need time to settle in to my new home. I would also be best suited to a quiet indoor only home. Please come and meet me so I can show you how gorgeous I am in person.

Minnie is microchipped, desexed, worm/flead and has had her 1st F3 vaccination
